

CIVIL WAR WEDGE TENTS (A FRAME)

Our popular Civil War Wedge tents are available in several sizes, and come with spur washer brass grommets at the peak and rolled canvas peg loops at the bottom. Authentically made with one solid end and one door end with no overlap facings. To add overlap facings costs \$5.00 per door. You can have us make an extra door for \$25.00 more. (with overlaps)

CIVIL WAR WALL TENTS AND FLYS

We offer three standard sizes of Civil War era wall tents, but you'll find many other sizes of this style tent on page 38-41. The tents on this page come with one door w/overlap facings, rolled canvas peg loops, and spur washer brass grommets at the peak ends and along the walls. Add a second door for \$25.00

Flys for these tents come with brass grommets along the side edges and a grommet at the midway point along each end. Of course all grommet positions are well reinforced!

The lengths on these tents and flies are variable because they're made by number of canvas panels. Because canvas panels vary in width between lots the length of the tentage below may differ one way or the other a few inches.
